

NEW!
PSORIAWAY
RELIEVES ITCH AND DRY SKIN

IT WORKS!
PSORIAWAY
RELIEVES ITCH AND DRY SKIN

PsoriAway is specially formulated to treat and control the following:

- Relieves itching and scaling of psoriasis.
- Instantly starts to control flaking of dry skin.
- For the control of Seborrheic Dermatitis.
- Leaves your skin soft and smooth.
- Rinses easily from scalp treatment.

Psoriaway® may look the same, may sound like it is the same, but the truth is; it is different and it works! Our revolutionary new technology combines the most effective known organic moisturizers which helps penetrate the scaly upper layers of the skin. Psoriaway uses a fully compounded all natural aloe formulation, giving it a natural continuity with skin defoliation. It then delivers this new formula to the lower epidermal layers for instant moisturizing.

Psoriaway® is a topical cream combining Natural Moisturizers, Coal Tar, Aloe Vera, blended in a unique formula to make this product extremely effective. It has been tested in the medical field, nursing homes and in the retail market with exciting and immediate results. Relieves itching, scaling and redness of psoriasis on contact.

Physicians and Consumers Grateful for Psoriaway

“I have used your Psoriaway® product during its development on problematic Psoriasis patients at both the nursing home facilities as well as the Neighborhood Clinic. Not only has my experience with this new product been excellent; *Dr. William Lascheid, Director of the Neighborhood Clinic*, has also used your Psoriasis product with great success. He is also a board certified dermatologist as well.”

Dr. Robert Boyd Tober, M.D., FACEP.

Chairman, Dept of Emergency & Ambulatory Svcs NCH Healthcare System. Medical Dir. Collier County Emergency Medical Services / Bentley Village / The Glenview / Harborside

I have been able to supply Psoriaway® to a number of patients with Psoriasis. They were followed on a regular basis for a period of six months. Each and everyone of the patients had high praise for the product.

William P. Lascheid, M.D.

*Director of Neighborhood Health Clinic.
Board Certified Dermatologist.*

As a physician, I know there is no cure for psoriasis Psoriaway® supplied to me has been very useful to my wife. It is particular good for scalp lesions and for resistant lesions on the skin over joints. I recommend that both patients and physicians add it to their armamentarium.

Keith Waterhouse, M.D.

Professor and Chairman Emeritus of Urology, S.U.N.Y.

We have sold 276 bottles of PSORIAWAY at this location in the past 4 months. Our second location, Golden Gate Pharmacy had sales just as impressive. We have many repeat customers who have described to us how PSORIAWAY has helped their condition. We would definitely recommend PSORIAWAY to any patient suffering from psoriasis or any retailer looking for a good product to offer their customers.
